 Merged

11 commits merged into `artsy:master` from `dblock:master` on Jan 10, 2011

The screenshot shows a GitHub pull request for the repository `artsy/gravity`. The pull request is titled "A tool called legacy/exdata that can read the existing exhibytes database. #2" and is in the "Merged" state. It shows 11 commits merged into `artsy:master` from `dblock:master` on Jan 10, 2011. The pull request has 28 Unwatch, 7 Unstar, and 34 Forks. The commit history is visible, showing three commits from Jan 5, 2011, and two from Jan 6, 2011. The commit messages are: "Added exdata with Artwork, Attribute and AttributeName.", "Fetching the genome vector.", "Added legacy tools to yardoc, fixed other yard-related issues.", "Fixed artwork id, it's a string (guid), not an int.", and "Added unit tests for exdata. Wrote how to author unit tests in the docs." Each commit is attributed to "dblock" and includes a commit hash and a link to the commit details.

A screenshot of a GitHub pull request conversation. It shows four comments in a vertical thread. The first comment is from user 'dblock' (Owner) dated May 26, 2017, stating 'I merged this squashed. Nice work.' and asking if the user wants to join the collaborators group. The second comment is from 'chuckremes' (Collaborator) dated May 28, 2017, replying 'Sure, I'll be a collaborator. My ruby gems email is git - at - chuckremes.com.' The third comment is from 'dblock' (Owner) dated May 29, 2017, replying 'Invited here/added. Welcome Chuck! Feel free to review/merge other people's PRs and keep making your own for other maintainers (@accessd and myself) to review.' The fourth comment is from 'dblock' (Owner) dated May 29, 2017, providing a link to a GitHub repository for releasing.

dblock commented on May 26, 2017 • edited ▾ Owner + 😊 ✎ ✕

I merged this squashed. Nice work.

Would you like to join the collaborators group for this project @chuckremes, maybe make the next release when we have your PRs merged? Just need your rubygems email please.

chuckremes commented on May 28, 2017 Collaborator + 😊 ✎ ✕

Sure, I'll be a collaborator. My ruby gems email is git - at - chuckremes.com.

dblock commented on May 29, 2017 Owner + 😊 ✎ ✕

Invited here/added. Welcome Chuck! Feel free to review/merge other people's PRs and keep making your own for other maintainers (@accessd and myself) to review.
